COMMENTS RE: LEAF PICK UP

Commissioner of Public Works Robert Wasp stated that he would like the residents to know that his Department is fully aware of the leaves on the ground and all leaves will be picked up as quickly as possible. The leaf pick up schedule is on the Website. Mr. Wasp asks the residents to bag the leaves for quicker pick up. The bulk leaves will get picked up as they go through their schedule.

Mayor Walsh stated she puts her leaves into garbage containers and the Town picks it up. She further stated that the police have started to give summonses to residents whose leaves spill out onto the street because there were a couple of streets this week that were covered with leaves and cars could not get through. Leaves should be close to the curb as it is a hazard to motorists and pedestrians.

Mr. Wasp added: it's a fire hazard.

There being no further matters to come before the Board,
the Meeting was on motion duly made and seconded,
declared closed at 10:10 PM.

Respectfully submitted,

Angela J. Tamucci
Deputy Village Clerk
